Mass time change for Saturday's

Some parishioners have come to me with a request. Due to our time change in Indiana and it being winter, it gets dark much earlier. They were Asking if Saturday evening Mass could be held a bit earlier due to the driving in the darkness. I am in need of some input from the rest of the parish. What is your suggestion for an earlier Mass time on Saturday evenings (only). Please reach out to Fr. Cyril Fernandes or call the church office with your suggestions. Thank you, Fr. Cyril Fernandes

God's Grace part two

Last week we shared about a homeless young man, our concern for him and the struggles he faces. We would like to bring the story full circle. His life is not where he wants to be yet, but he is diligently trying. He goes to counseling and to group sessions regularly. He is learning to cook. We can see the strength he is gaining through the smile on his face, his positive conversation, and the desire he shares to get better. We cannot adequately express the joy we saw in him the day he walked into the pantry with a prosthetic eye! Before there was only a hollow cavity. Before people stared at him. He had tattoos on his face in an attempt to distract from not having an eye. Now he has an eye, many days he has a smile, and every visit he

leaves sharing his appreciation for the food and our showing him that we care about him. We are better able to love and to care for others because of stories like this one. God's Grace is all around us, if we only pay attention!

Sacrament of Reconciliation for CCD

December 8th from 9:15am-10:15am there will be time for reconciliation for 3rd through 6th graders. If they cannot attend on this day they are welcome to join the 7th and 8th graders at St. Paul's Advent Penance Service, Thursday, December 12th at 6pm.

Success for the Sewing Circle

A special thank you to everyone who helped sew pajama pants for a homeless shelter in Gallup, New Mexico ran by the Missionaries of Charity. We had a great turn out of parishioners and friends that sewed, cut out pants, or ironed. Mary Jo Alles, Yvonne Pfeiffer & Carol Trebor sewed nearly 30 pair of pj pants at home during the year and we sewed almost 50 more pair in 2 days in the community hall. Fr. Cyril brought his sewing machine and helped too!! Thank you again for your help and donations of sheets and fabric. It is I appreciated it very much. Please make Sure to check out the pictures that I posted on the bulletin board as you come in the east entrance of the church.
