Fishers of Men

In today's gospel reading Peter had been out fishing all night and hadn't been able to catch any fish. When Jesus told him to let down the nets again he did it anyway. He was very surprised when the nets filled up with fish right away. And there were so many that the boat started to sink!

Jesus told Peter and his friends James and John that he was going to make them "fishers of men." But He didn't mean that they would catch people in nets! He was showing them that they had to bring people into the Church.

Who are the "fishers of men" today? Priests! They help people to come to the Faith by giving them the sacraments and teaching them the truth about God.
